

## The Colonisation of Time: Ritual, Routine and Resistance in the British Empire

Filesize: 4.23 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

*(Mrs. Jacquelyn Gutmann)*

## THE COLONISATION OF TIME: RITUAL, ROUTINE AND RESISTANCE IN THE BRITISH EMPIRE

Manchester University Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., The Colonisation of Time: Ritual, Routine and Resistance in the British Empire, Giordano Nanni, The colonisation of time is a highly original and long overdue examination of the ways that western-European and specifically British concepts and rituals of time were imposed on other cultures as a fundamental component of colonisation during the nineteenth century. Based on a wealth of primary sources, it explores the intimate relationship between the colonisation of time and space in two British settler-colonies (Victoria, Australia and the Cape Colony, South Africa) and its instrumental role in the exportation of Christianity, capitalism and modernity, thus adding new depth to our understanding of imperial power and of the ways in which it was exercised and limited. All those intrigued by the concept of time will find this book of interest, for it illustrates how western-European time's rise to a position of global dominance - from the clock to the seven-day week - is one of the most pervasive, enduring and taken-for-granted legacies of colonisation in today's world.
