

The Ball and the Cross

By G K Chesterton

Martino Fine Books, United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.2011 Reprint of 1910 Edition. An allegory in fictional form, based on the theory that religious unbelief is a form of madness and showing the practical application of the theories of faith and rationalism set forth in the author's Heretics and Orthodoxy. In the age of materialism in which Chesterton wrote he attempted to write about the conflict between rationalism and religion - between the Ball and the Cross--and to make that ancient quarrel important again. He has written for our times the adventures of two men who want to fight a duel over God and the Virgin Mary. The world thinks them both mad, of course, because they seem to be serious, and the novel ends by shutting up in a lunatic asylum all the people who are sane enough to care one way or another about their quarrel. The book is exciting. As Mr. Chesterton might have said, you begin to wonder if the fact that modern people aren't interested in theology isn't due to the fact that modern theologians aren't...
