

Don t Get ME Started

Filesize: 3.81 MB

Reviews

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

(Dayne Johns)

Random House USA Inc, United States, 2000. Paperback. Book Condition: New. Reprint. 211 x 141 mm. Language: English . Brand New Book ***** Print on Demand *****.Let s get one thing straight. I m not. I m out and proud. When I m out and it s raining I carry an umbrella. I used to be in but I hate the smell of mothballs. My closet was huge, complete with a foyer, turnstile, a few dead bolts, and a burglar alarm that had to be deactivated before I could even touch the door handle. And then there was the storm door. It wasn t until I had lived and slept with a woman for a year that it occurred to me to ask, quot;Do you think we re lesbians?quot; By the way, never come out to your father in a moving vehicle. Now I ve written a book. It s not as easy as it looks. One night, I was working late on my computer when a little message came up on the screen, quot;You are almost out of memory.quot; Here are my thoughts and observations on everything from gay marriage (Mad Vow Disease) to my morbid fear of mascots (with the exception of the San Diego Chicken). That s all I m going to say because I don t want to spoil it for you. That s a job for Jesse Helms.
