

Clapton's Guitar: Watching Wayne Henderson Build the Perfect Instrument

By Allen St John

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Clapton's Guitar: Watching Wayne Henderson Build the Perfect Instrument, Allen St John, "New York Times" bestselling author Allen St. John started off looking for the world's greatest guitar, but what he found instead was the world's greatest guitar builder. Living and working in Rugby, Virginia (population 7), retired rural mail carrier Wayne Henderson is a true American original, making America's finest instruments using little more than a pile of good wood and a sharp whittling knife. There's a 10-year waiting list for Henderson's heirloom acoustic guitars--and even a musical legend like Eric Clapton must wait his turn. Partly out of self-interest, St. John prods Henderson into finally building Clapton's guitar, and soon we get to pull up a dusty stool and watch this Stradivari in glue-stained blue jeans work his magic. The story that ensues will captivate you with its portrait of a world where craftsmanship counts more than commerce, and time is measured by old jokes, old-time music, and homemade lemon pies shared by good friends.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
