

## Job U: How to Find Wealth and Success Without a Degree by Developing the Skills Companies Actually Need

By Nicholas Wyman

Random House USA Inc, United States, 2015. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Get ready to relearn everything you thought you knew about what a successful career path can look like. Today, unemployment hovers at a near-record high, yet 3.5 million American jobs remain unfilled. Why? Because companies simply cannot find people with the skills they actually need. The good news is that this skills gap represents unprecedented opportunities for every person seeking a successful and exciting career. But these opportunities can't be found inside the walls of the traditional classroom. Instead, they lie in the myriad of educational options that provide the technical, vocational, and soft skills on demand in today's workplace, such as:

- Professional certifications: Start your career faster in fields like bioscience aviation, culinary arts, and medical technology.
- Associates degrees Increase earning potential through inexpensive 2-year programs in subjects like civil engineering, environmental science, education, and nursing.
- Apprenticeships Earn while you learn under the direct supervision of a skilled expert. Far beyond the artisan trades, today's apprenticeships can be found at companies like Volkswagen and Siemens.
- Occupational learning Refresh or reboot your skill sets through on-the-job training...
