GARDENERS' WORLD": 101 IDEAS FOR A WILDLIFE-FRIENDLY GARDEN

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, "Gardeners' World": 101 Ideas for a Wildlife-friendly Garden, Mick Lavelle, If you yearn to watch blackbirds feeding their young, and butterflies flitting amongst the flowers but you don't have the space for a meadow or want to give your whole garden over to nature, don't despair: with just a few clever tricks you can bring the countryside and its residents to your garden, even in the most urban of locations. Encouraging a little wildlife into your garden can bring a lot of benefits for the gardener. Having a wildlife-friendly garden isn't just about letting nature do its thing so that you can enjoy watching it from your window or the patio, it has a far more important contribution to make. Let nature do the hard work of gardening for you: ladybirds and blue tits will make short work of aphids, while birds, bats and hedgehogs will feast on larger insects. It's biological control at its best; leaving you more time to sit in your deck chair and listen to the dawn chorus of the birds, the croaking of frogs, and the nighttime grunting of visiting hedgehogs. If the natural look of a wildlife garden isn't your thing, you'll be pleased to know that even the most modern, minimalist garden can include features which will bring in wildlife without cramping your style. In this book, the team at "Gardeners' World Magazine" bring you tips and advice on simple ways in which you can create a haven for wildlife - whatever your garden style.
