This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject English Language and Literature Studies - Culture and Applied Geography, printed single-sided, grade: 1,0, Ruhr-University of Bochum, language: English, abstract: This paper will argue that the claim is not practical enough and that it only addresses a small group of people who have academic background knowledge about Critical Race Theory already. It will also show that people, who try to act along Ignatiev's guide lines, only harm themselves even when they mean well.
