Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.After a wild year in corporate housing in 2012 - complete with corporate housing mergers, new regulations on vacation rentals, and an uncertain economic climate - 2013 proved to be a fairly stable year in the corporate housing industry and the residential rental world. We hope it was a successful year for you. As you turn your attention to 2014, we re excited to share the 2013 By Owner Corporate Housing Annual Report. In the following pages, you ll find a summary and analysis of the results from our annual By Owner Corporate Housing Survey - now in its fifth year. In the pages to follow, you ll be able to draw upon the latest data, as well as comparisons and trends from recent years, to ensure 2014 is your most profitable year yet. What Makes This Report Different The By Owner Annual Report is different than other property management annual reports. It reflects findings from individual property owners of furnished monthly rentals, rather than from full-service, corporate housing companies. This report is designed to help individual owners, like you, learn from relevant trends in your marketplace and achieve greater success. If you took the time to complete our 2013 By Owner Survey, I thank you for your insight and candor. Once again, we had hundreds of people respond to our survey questions. The survey was made available to any person who owned or managed a furnished monthly residential rental in 2013 - not just to property owners who market their properties through the CHBO website. Outlook and Profitability Outlook for 2014. 36 of respondents predict that 2014 will be better and more profitable than 2013 - similar...
