DERRIDA FOR BEGINNERS

[DOWNLOAD](#)

For Beginners, United States, 2007. Paperback. Book Condition: New. Vanda Howell (illustrator). 224 x 152 mm. Language: English . Brand New Book. Derrida is one of those annoying geniuses you can take a class on, read half-a-dozen books by and still have no idea what he s talking about. Derrida s writing is definitely confusing (it s like he s pulling the rug out from under the rug that he pulled out from under philosophy). But beneath the confusion, like the heartbeat of a bird in your hand, you can feel Derrida s electric genius. It draws you to it; you want to understand it.but it s so confusing. Jim Powell s Derrida For Beginners is the clearest explanation of Derrida and deconstruction presently available in our solar system. Powell guides us through blindingly obscure texts like Grammatology (Derrida s deconstruction of Saussure, Levi Strauss, Rousseau), Differance (his essay on language and life), Dissemination (his dismantling of Plato, his rap on Mallarme), along with his other masterpieces.
