Holy Fire Publishing, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This journal-style book is not your normal run-of-the-mill literary work. Rather, it is a mystery from heaven unveiled---a saving word---a blueprint for every minister and saint of how to receive the mind of God. This journal will take you to a school beyond the veil wherein the Holy Spirit, Himself, is the instructor. The content of this journal reads like a tapestry woven by an unseen hand into the multi-colored fabric of each page. Its timeless truths and priceless principles will demand your prayerful attention; indeed a rare find for this day and age. Don't just read this journal, but let it read you. Allow it to impregnate you with a depth of holy desire for intimacy and unbroken fellowship with the Father of spirits. There is a great purging and cleansing God wants to do in this hour in his Church, especially among ministers. This journal is one of those sign-posts that definitely point the way. As the author's writing advances, so does an awesome oneness with the mind and purpose of the Lord advance with you. This is a great read. Dr. Ron Smith.
