200+ Educational Strategies to Teach Children of Color

By Jawanza Kunjufu

African American Images. Paperback. Book Condition: new. BRAND NEW, 200+ Educational Strategies to Teach Children of Color, Jawanza Kunjufu, With an emphasis on pragmatic approaches that can be accomplished in the classroom, this almanac of teaching solutions provides inner-city educators with 100 all-new strategies to daily challenges. As turnover rates remain excessively high among teachers in urban schools -- 83 percent of whom are white females who were ill-prepared by their college programs -- the type of firsthand experience offered by this helpful manual continues to be an essential source of training. The advice and expertise presented is fully supported by real-life examples rather than intangible theory, and the details directly tackle issues of race and class while offering a legitimate criticism of the American school system that poses many of the problems that teachers face.
