He has been sentenced to extermination, and the sentence will be carried out. This is all right and not objectionable, for the world was made for man--the white man. South Australia is confusingly named. All of the colonies have a southern exposure except one--Queensland. Properly speaking, South Australia is middle Australia. It extends straight up through the centre of the continent like the middle board in a centre-table. It is 2,000 miles high from south to north, and about a third as wide. A wee little spot down in its south-eastern corner contains eight-or nine-tenths of its population; the other one-or two-tenths are elsewhere--as elsewhere as they would be in the United States with all the country between Denver and Chicago, and Canada and the Gulf of Mexico to scatter over. There is plenty of room. A telegraph line...
