## WHAT JAMIE SAW

namelos. Hardcover. Book Condition: New. Hardcover. 106 pages. Dimensions: 8.6in. x 5.5in. x 0.7in. Reveals the impact of witnessing violence even as it affirms the luminous power of love. Jamies mother is there to catch the baby -this time. She does what she must to keep her family out of harms way, but still the shock waves of Vans act reverberate through their lives. What Jamie Saw is a moving, visceral dramatization of violence in the home, told not from the point of view of a victim, but as witnessed by a nine-year-old boy. The impact of observed violence perpetrated against loved ones is profound and destructive, and altogether too common. Drawing on his mothers desperate strength, his own determination, and help from an unexpected friend, Jamie confronts his fear and anxiety - learning, adapting, and triumphing. Jamie, with his acute observations and ability to completely immerse himself in the moment, is a memorable character children will recognize as being just like them. - Booklist In effect, Coman speaks for her hero with the intuitive understanding and empathy of a mother. The subjective impressions that she records are unmistakably those of a young boy, and Jamies subjectivity becomes increasingly convincing; the cumulative effect is mesmerizing.
