Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Demon, Hubert Selby, Harry White is the man other men want to be: admired by his peers, talented, rich, and desired by countless women. His steady rise to a position of unprecedented influence in a New York investment firm seems inevitable to those who know him, and on the way he acquires a beautiful wife and children. But with every achievement the desire to destroy what is his grows stronger. A demon within drives him to sexual excess, petty crime and eventually murder. "The Demon" explores the dark side of a man's ambitions with unflinching determination. Harry White's story is a gripping twentieth-century tragedy.
