Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Atheism: A Very Short Introduction, Julian Baggini, Atheism is often considered to be a negative, dark, and pessimistic belief which is characterized by a rejection of values and purpose and a fierce opposition to religion. Atheism: A Very Short Introduction sets out to dispel the myths that surround atheism and show how a life without religious belief can be positive, meaningful, and moral. It also confronts the failure of officially atheist states in the Twentieth Century. The book presents an intellectual case for atheism that rests as much upon positive arguments for its truth as on negative arguments against religion. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
