Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

WELLS BROTHERS

Brand New Book ***** Print on Demand *****.Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks. Visit us online at - - The first herd of trail cattle to leave Dodge City, Kansas, for the Northwest, during the summer of 1885, was owned by the veteran drover, Don Lovell. Accidents will happen, and when about midway between the former point and Ogalalla, Nebraska, a rather serious mishap befell Quince Forrest, one of the men with the herd. He and the horse wrangler, who were bunkies, were constantly scuffling, reckless to the point of injury, the pulse of healthy man-hood beating a constant alarm to rough contest. The afternoon previous to the accident, a wayfaring man had overtaken the herd, and spent the night with the trail outfit. During the evening, a flock of sand-hill cranes was sighted, when the stranger expressed a wish to secure a specimen of the bird for its splendid plumage. On Forrest s own suggestion, his being a long-range pistol and the covey wary, the two exchanged belts. The visitor followed the flock, stealing within range a number of times, and emptying the six-shooter at every chance. On securing a fine specimen near nightfall, he returned to the herd, elated over his chance shot and beautiful trophy. However, before returning the belt, he had refilled the cylinder with six instead of five cartridges, thus resting the hammer on a loaded shell. In the enthusiasm of the moment, and ignorant of its danger, belt and pistol were returned to their owner.
