*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

After several years of struggles he served the Royal Air Force for five interesting years in the U. K. and the Middle East and eventually gained National recognition as an athlete and heavyweight boxing champion. On his return to the U. K from his military tour overseas he attended and graduated from the British Institute of Engineering Technology, a private Engineering Institution in London England. Berland returned to Jamaica after spending 12 years in the U. K. when he met and marry Sybil a secretary in the Jamaica Civil Service. He has been successfully married now for over 40 years and the proud parent of four successful college graduates and grand children. After working with the Jamaica Civil Service as an Engineer he relocated to the U. S. A. with his family where they currently reside. Despite his engineering training in the U. K. Berland had to further qualify himself educationally to meet the prescribed U. S. A. requirement. This requirement was met when he graduated in Architectural Drafting and subsequently employed by the N. Y. City Board of Education. After years of secretarial employment Sybil also had to be retrained, graduated and worked as a Registered Nurse before her retirement. The thought of being a successful grandfather is a fulfillment of his dreams, and believes that with perseverance the pursuit of ones goals should never be underestimated.
